Dealer notes

Experience the future of American muscle with the striking 2025 Dodge Charger Daytona R/T AWD. Draped in a head-turning Redeye exterior color, this next-generation powerhouse redefines modern performance with its aggressive styling and legendary heritage. Built for drivers who demand both cutting-edge innovation and iconic road presence, this all-wheel-drive electric muscle car commands attention on every highway and city street. Beneath its bold exterior lies a revolutionary powertrain driven by the advanced 400v g2500 front/rear electric drive motors. Delivering instant torque and seamless acceleration, the sophisticated All Wheel Drive system ensures maximum traction and precision handling in various driving conditions. By utilizing this dual-motor electric setup, the 2025 Dodge Charger Daytona R/T AWD offers a thrilling, high-performance driving experience that carries the brand's muscle car legacy directly into the electric era. Inside, the cabin blends driver-focused utility with modern comfort, equipped with the quick order package 25m r/t. The refined interior features black seats, highlighted by supportive black leatherette/cloth performance seats designed to keep you securely positioned during spirited drives. Combining a state-of-the-art electric powertrain with a meticulously crafted cabin, the 2025 Dodge Charger Daytona R/T AWD represents the ultimate evolution of electrified performance.
