Dealer notes

Are you ready to dominate the most challenging terrain with confidence? This 2022 Polaris RZR XP 1000 Trails and Rocks Edition is the ultimate side-by-side for off-road enthusiasts who refuse to let obstacles stand in their way. Showing just 5,283 low miles on the odometer, this highly capable sport UTV is presented in a striking Red exterior color with a contrasting Black interior. Designed specifically to conquer tight technical trails and steep rock faces right out of the box, this low-mileage machine offers a premier opportunity for powersports buyers looking to elevate their outdoor adventures. At the heart of this trail-conquering beast is a potent 4-stroke 999cc 2-cylinder engine that delivers immediate, responsive power whenever you squeeze the throttle. Engineered to master slow-speed rock crawling as easily as fast-paced trail riding, the Trails and Rocks Edition features a specialized low-gear transmission ratio that maximizes torque for climbing over massive obstacles. Combined with a robust suspension system and high ground clearance standard on this trim, this 2022 Polaris RZR XP 1000 provides exceptional articulation, traction, and stability to keep you moving forward through mud, ruts, and boulder fields alike. Inside, the functional black interior keeps you and your passenger secure and comfortable during long days in the dirt. As a dedicated Trails and Rocks Edition, this model comes standard with rugged factory-installed protection, including rock sliders and a front bumper, alongside a heavy-duty winch to handle demanding recovery situations. Whether you are navigating tight wooded paths or scaling slick rock, this well-maintained 2022 Polaris RZR XP 1000 Trails and Rocks Edition is ready to deliver an unmatched off-road experience. Don't miss your chance to own this low-mileage, trail-ready powerhouse today.
