Exterior colour: Black Sapphire Metallic
Interior colour: Portland Brown
Body type: Sedan
Fuel economy: — city / — highway MPG
Dealer: Topline Auto Group, Kent, WA 98032
Dealer phone: 425-800-0101

Dealer notes

2008 BMW M5 | LEGENDARY S85 V10 | 500 HP | BLACK SAPPHIRE METALLIC | PORTLAND BROWN LEATHER Topline Auto Group is proud to present this stunning 2008 BMW M5 Sedan, finished in elegant Black Sapphire Metallic over a beautifully contrasting Portland Brown leather interior. Representing one of the most iconic chapters in BMW M history, the E60-generation M5 combines Formula 1-inspired engineering with the refinement, comfort, and practicality of a luxury performance sedan. At the heart of this extraordinary machine lies BMW's legendary 5.0-liter S85 naturally aspirated V10 engine producing 500 horsepower and 383 lb-ft of torque. With an exhilarating 8,250 RPM redline, ten individual throttle bodies, and an unmistakable high-revving exhaust note, the S85 remains one of the most celebrated engines ever developed by BMW M. This particular example stands out with its sophisticated Black Sapphire Metallic exterior and Portland Brown leather interior, a desirable combination that perfectly complements the M5's understated yet aggressive styling. The exterior features the distinctive E60 M5 aerodynamic bodywork, signature M side vents, quad exhaust outlets, sculpted body lines, and athletic proportions that distinguish this performance sedan from the standard 5 Series. Inside, the Portland Brown leather cabin combines premium craftsmanship with motorsport-inspired design. Supportive M sport seating, heated front and rear seats, a heated steering wheel, navigation, premium audio, and a power-operated rear sunshade contribute to an exceptionally comfortable driving experience. The M5's rear-wheel-drive layout, sophisticated chassis engineering, and high-revving V10 deliver a unique combination of performance and driver engagement that has made the E60 increasingly appreciated among BMW enthusiasts. With its exceptional naturally aspirated V10, distinctive interior configuration, and unmistakable BMW M character, this 2008 M5 represents a remarkable opportunity to experience one of BMW's most ambitious performance sedans.
