Dealer notes

The 2026 Kia EV9 Wind AWD, dressed in the sleek and sophisticated Panthera Metal exterior, is a commanding presence on the road. This all-electric standout features a zero-cylinder engine, which provides an eco-friendly and smooth drive without compromising on power. Its all-wheel drive (AWD) system ensures impeccable handling and stability, making it well-suited for a variety of terrain. Inside, the EV9 Wind AWD offers a spacious cabin that comfortably accommodates up to seven passengers, thanks to its intelligently designed seating layout with carpeted floor mats enhancing the interior's plush feel. The seats, adorned in gray full SynTex synthetic leather, exude modern elegance while offering easy maintenance and durability. Complementing the interior is a handy cargo net, perfect for keeping your gear organized and secure during every journey. Practical features like wheel locks add an extra layer of security, ensuring your meticulously designed wheels remain intact wherever you go. By marrying cutting-edge technology with luxury, the 2026 Kia EV9 Wind AWD in Panthera Metal and Gray becomes more than just a mode of transportation—it's a statement of forward-thinking design and sustainable efficiency. Designed to captivate both drivers and passengers alike, this vehicle is truly a testament to Kia's commitment to innovation and elegance in the evolving landscape of electric vehicles.
