### Dealer notes

FOR SALE: The 2017 Kia Sportage EX AWD - Luxury on a Michelob Ultra Budget Listen up, Ohio Valley. If you want to look like you spend your weekends at the country club, but your bank account says you actually spend them at the local dollar store, your chariot has arrived. Welcome to Ohio Motor Group Bridgeport, where we turn your high-end dreams into a highly affordable reality. For just \$12,980, you can completely fool your neighbors. The "I Have an Organic Juice Subscription" Highlights: The Panoramic Sunroof: Perfect for tilting your head back, catching the sun, and pretending you're driving through Malibu instead of Rt. 7 traffic. It lets in all the natural light required for high-quality selfies. Plush Leather Seating: Easy to clean when you inevitably spill your \$8 iced oat milk latte, and premium enough to make your passenger think, "Wow, they must have a 401k." EX AWD (All-Wheel Drive): Because a true influencer doesn't let a little Ohio winter slush ruin their trip to Target. Total traction, zero drama. 98,729 Miles: Just barely broken in. It has traveled just enough to lose that painful "new car depreciation," but has plenty of life left to ferry you to brunch for years to come. The Bougie Vibe Check: This isn't just a compact SUV; it's a lifestyle upgrade. Walk up to it, hit the keyless entry, slide onto that leather, look up through the massive glass roof, and just breathe. You look expensive. Nobody needs to know you paid under \$13k for it. If they ask, just tell
