Dealer notes

2016 Mazda MX-5 Miata Grand Touring – 6-Speed Manual – Soul Red Crystal Metallic This is the fourth-generation (ND) Miata, the one that took the roadster back to basics: lighter and tighter, and more fun than any version since the original. This one is the top Grand Touring trim, so you get the full driving experience without giving up comfort. It's finished in Soul Red Crystal Metallic, Mazda's signature paint, which looks deep and liquid in the Arizona sun. Inside is black leather with light grey stitching. The 2.0L SKYACTIV four-cylinder sends power to the rear wheels through a slick 6-speed manual, so you get a short-throw shifter, rear-wheel drive and a car that weighs next to nothing. That's the reason people buy Miatas. Highlights Grand Touring trim: heated leather seats, automatic climate control, keyless entry and push-button start Adaptive LED headlights with auto high beams, LED fog lights and LED taillights 7" touchscreen with navigation, Bluetooth, satellite radio and 9-speaker premium audio Driver aids: lane departure warning, rear cross-traffic alert and tire pressure monitoring Rain-sensing wipers, heated and auto-dimming mirrors, cruise control, and a HomeLink garage door opener Manual soft top you can drop from the driver's seat in seconds, with a wind deflector behind the seats 17" alloy wheels with locks; independent front and rear suspension Clean Autocheck / Carfax History Few cars give you more smiles per mile than a Miata, and this one is ready for Scottsdale top-down season.
