Dealer notes

Talk about the ultimate Peterbilt tow rig with seating for seven! This Peterbilt Schwalbe Stretch 335 has room for the whole family and plenty of Cummins power to pull just about anything you put behind it. This one-of-a-kind custom hauler has 235,000 original, verified miles and pairs the desirable pre-DEF 8.3-liter Cummins diesel with a six-speed Allison 3060 automatic transmission. It pulls strong on the highway and drives exactly like you would expect a Cummins-powered Peterbilt to drive. The previous owner had the truck custom-painted in this deep maroon approximately two years ago and took excellent care of it. The paint still looks nearly new, and the truck shows every bit as well in person as it does in the photos. For its age, this Schwalbe is in remarkable condition inside and out. The stretched cab is what really sets this truck apart. It comfortably seats seven, with two rows of captain\'s chairs and a rear bench that folds down into a bed. This gives the whole crew plenty of room to spread out on a long haul, along with a comfortable place to stretch out when you stop. If you\'re shopping for a Freightliner SportChassis or an International 4400, this well-equipped Schwabe deserves a serious look. Between the custom maroon finish, desirable pre-DEF Cummins and Allison drivetrain combination, and seven-passenger stretched cab, it\'s easy to see why these custom Peterbilt haulers are so sought after. Additional features include an air hitch system, LED work lights, tagalong hitch, Sumitomo heavy-duty tires in like-new condition, floating rear center caps, and custom-cut alloy wheels. Best of all, this truck offers the versatility and capability to handle just about any towing situation. Use it for pleasure towing just like a conventional pickup, but enjoy the added safety, heavy-duty construction, and family-friendly seating of a commercial-grade hauler. Whether you\'re looking for the ultimate race car tow rig, camper or toy hauler transporter, or a serious setup for hauling a mega monster offshore boat, this Peterbilt checks a lot of boxes. Search the market, and you\'ll be hard-pressed to find another one like it. This is truly a one-of-a-kind opportunity to own an incredibly versatile custom hauler! Price does not include $0 processing fee
