Dealer notes

If you are searching for a highly capable midsize pickup that seamlessly balances daily utility with job-site readiness, this 2022 Chevrolet Colorado 2WD Crew Cab 128" Work Truck is the perfect fit. Finished in a clean and professional Summit White exterior, this truck commands attention with its robust stance and practical design. Built to handle demanding tasks while offering the passenger space of a spacious Crew Cab, this Colorado is designed for business owners, fleet operators, and everyday drivers alike who demand reliability and value without compromise. Under the hood, this 2022 Chevrolet Colorado is powered by an efficient 2.5L 4-cylinder engine that delivers dependable powertrain performance for your daily hauling and commuting needs. The two-wheel-drive configuration is significantly enhanced by the automatic locking rear differential, which provides critical traction and stability when navigating uneven terrain or demanding work sites. Additionally, this vehicle is configured with a federal emissions override, ensuring it meets specific regulatory standards while maintaining its focus on steady capability and practical utility. Inside, the cabin features a functional and durable Jet Black/Dark Ash interior designed to withstand rigorous daily use while keeping you comfortable. This Work Truck comes equipped with the WT Convenience Package and electronic automatic cruise control, making long highway drives much more relaxed and manageable. Staying connected on the go is effortless thanks to the Chevrolet Infotainment 3 system, which offers intuitive technology and clear audio right at your fingertips. Combining straightforward capability with essential modern features, this 2022 Chevrolet Colorado is ready to tackle your next job with confidence.
