Dealer notes

This 2002 Dodge Ram 1500 ST Quad Cab 4WD is built tough and ready to haul, tow, or handle everyday truck duties. Powered by a 4.7L V8 and equipped with 4WD, this Ram is a solid choice for work, weekend projects, hauling, or getting around in rougher weather and terrain. With 184k miles, it has been used like a truck should, but still has plenty to offer. This Ram has also had recent service and maintenance done, including a valve cover gasket, oil filter, motor oil, oil pressure sensor, tire-related service, and labor completed. It has been inspected and serviced, so it is ready for the next owner. The bold red exterior gives it a rugged look, and the Quad Cab gives you extra interior space for passengers, tools, or gear. Whether you need a budget-friendly work truck, a capable 4x4, or a practical pickup with V8 power, this Dodge Ram is worth checking out. At TNT AUTO & RV SALES, we offer financing through banks and credit unions, and cash deals can be done in 30 minutes or less. We are a family-owned dealership serving Tacoma for almost a decade and one of the highest-rated dealers in the area with a 4.6/5 Google rating.
