Dealer notes

Experience the future of full-size capability with the 2023 Ford F-150 Lightning Pro 4WD SuperCrew 5.5' Box. Finished in a crisp Oxford White exterior, this all-electric pickup blends legendary F-Series toughness with modern zero-emissions efficiency. Designed to satisfy both commercial demands and personal utility, this SuperCrew model features a spacious four-door cab alongside a versatile 5.5-foot cargo bed, offering the ideal combination of passenger comfort and everyday cargo capacity for forward-thinking truck buyers. Powered by an advanced all-electric dual-motor powertrain, this All Wheel Drive truck delivers instant torque and surefooted traction in challenging driving conditions. Because it operates without a conventional internal combustion engine, it features the spacious Mega Power Frunk under the hood, providing clean, lockable, and weatherproof front storage to supplement the rear bed. Built on a robust high-strength steel frame with an independent rear suspension, the F-150 Lightning Pro offers confident towing capability, solid payload strength, and a smooth, composed ride on every journey. Inside, the durable Black interior is thoughtfully arranged for maximum utility and seamless operation. Essential standard technology includes the intuitive SYNC 4 infotainment system with a large touchscreen, a digital productivity screen, and integrated Ford Co-Pilot360 driver-assist safety features. Combining electric innovation with job-ready durability, the 2023 Ford F-150 Lightning Pro 4WD SuperCrew 5.5' Box is an exceptional choice for drivers ready to step into a powerful, efficient, and versatile electric truck.
