Dealer notes

1998 Chevrolet Corvette Indy Pace Car Convertible finished in Pace Car Purple Metallic with the signature graphics. Yellow wheels and a matching yellow interior give this limited-edition Corvette its unmistakable look. Built for the 1998 Indianapolis 500, this two-owner example has a clean Carfax and shows excellent care throughout. The paint is in great condition, with protective film on the nose cone. Powered by the 345-hp LS1 V8 and a 4-speed automatic, this car is one of just 616 Pace Cars built in this configuration (1,163 total). It rides on Michelin Pilot Sport tires and factory yellow wheels. The yellow-and-black leather interior is clean and well-preserved. Features include power steering, power brakes, A/C, power windows, locks, mirrors, power seats with memory, and dual-zone climate control. The Z4Z Pace Car package adds the graphics, Indy 500 badging, BOSE audio, two-tone seats, active handling, and performance axle. Indy 500 floor mats and memorabilia are included. The black cloth manual top is in good condition with a glass rear window. This Corvette runs and sounds fantastic-an eye-catching collectible with rarity and genuine Indy 500 heritage.
