Dealer notes

2.5ltr EFI 4 cylinder engine, the A/C and heater are in working condition. This vehicle does ride and drive very well. There is some clear coat fading. It does seem to be mechanically sound. It has a Nissan entertainment system (the display area is barely readable, but is working). If this sounds like something you may be interested in, come on in for a closer look and possibly a test ride. Price does not include $0 processing fee
