Looking for a well-equipped, full-size 4WD pickup without spending \$30,000 or more? This 2017 Ford F-150 Platinum Crew Cab delivers powerful EcoBoost performance, premium Platinum styling, and everyday truck capability at an affordable price. Under the hood is Ford's 3.5L EcoBoost Twin-Turbo V6, producing an impressive 375 horsepower and 470 lb-ft of torque. Paired with an automatic transmission and 4WD, this F-150 offers strong acceleration and the capability needed for hauling, towing, and Northern Michigan driving conditions. The Platinum trim sits near the top of the F-150 lineup, offering an upscale appearance and a more refined driving experience than a traditional work truck. With 235,585 miles, a CARFAX report showing no accidents, and a price of just \$14,987, this F-150 is an appealing option for buyers who want a premium-trim pickup at a budget-friendly price.

Why Consider This F-150 Platinum? The biggest advantage of this truck is the combination of Platinum trim, twin-turbo V6 performance, 4WD, and an affordable purchase price. With 375 horsepower and 470 lb-ft of torque, it offers the performance expected from a modern full-size pickup without the price tag of a newer truck. The CARFAX report shows no reported accidents, providing useful vehicle-history information for prospective buyers. As a higher-mileage truck, we encourage buyers to review its condition and maintenance history carefully and take it for a thorough test drive.
