Dealer notes

Tackle the toughest jobs with this powerful 2011 Ram 3500 4WD Reg Cab ST. Finished in a clean Bright White exterior, this heavy-duty workhorse is engineered to deliver uncompromising strength and long-term dependability. Featuring a 143-inch wheelbase and a versatile 60-inch Cab-to-Axle (CA) configuration, this model provides the ideal foundation for custom utility beds, flatbeds, or specialized commercial equipment to match your specific business needs. At the heart of this commercial truck is a proven 5.7L 8-cylinder engine that delivers the dependable horsepower and torque required for heavy hauling. Combined with a robust Four Wheel Drive (4WD) system and dual rear wheels (DRW), this Ram 3500 easily handles demanding jobsites, steep grades, and challenging weather conditions. The dual rear wheel configuration enhances chassis stability and payload capacity, providing maximum control and confidence whether you are pulling heavy equipment or hauling high-capacity loads. Inside, the cabin features a practical Dark Slate/Medium Graystone interior crafted for durability and effortless maintenance during tough workdays. The ST trim focuses on functional utility, offering straightforward controls, durable seating materials, and an efficient regular cab layout designed to keep drivers comfortable and focused on the job. Built to handle grueling workloads with ease, this 2011 Ram 3500 4WD Reg Cab DRW is an exceptional choice for fleet managers, contractors, and heavy-duty truck buyers ready to expand their capabilities.
