Dealer notes

The 2010 GMC Sierra 1500 4WD Crew Cab 143.5" SLT is a robust and reliable truck that combines power, style, and comfort. Its Onyx Black exterior exudes sophistication and strength, making a strong impression on the road. Complementing its elegant exterior, the interior is tastefully designed with Dark Titanium and Light Titanium leather-appointed front seats, enhancing both comfort and visual appeal. Under the hood, this Sierra is equipped with a formidable 5.3L 8-cylinder engine that delivers impressive performance and towing capabilities. The four-wheel-drive drivetrain ensures optimal traction and control, making it perfect for both off-road adventures and daily commutes. The SLT convenience package adds extra functionality, including advanced features designed for a seamless driving experience. Adding to its durability, the skid plate package provides additional protection for the underbody, bringing peace of mind when navigating rough terrains. For enhanced entertainment, the audio system features an AM/FM stereo with CD player and MP3 playback, offering a range of media options to suit your preferences. Additionally, the inclusion of a front license plate bracket reflects attention to detail in design and compliance, rounding out the appeal of this well-equipped and capable vehicle.
