Dealer notes

2026 GMC Yukon Denali Ultimate 4x4 Lifted Premium SUV. Luxury meets capability with this stunning 2026 GMC Yukon Denali Ultimate 4x4, a virtually new premium SUV showing only 2,037 original miles. Finished in a beautiful White exterior complemented by a rich Brown premium leather interior, this Yukon has been professionally upgraded with a lifted suspension, giving it an unmistakable stance while retaining the exceptional ride quality and refinement that the Denali Ultimate is known for. This Yukon rides on a premium set of 22-inch Forgestar performance wheels wrapped in aggressive 35-inch all-terrain tires, creating the perfect combination of luxury and off-road-inspired styling. The lift and wheel package dramatically enhance its appearance while maintaining excellent drivability, making it equally at home on the highway, around town, or heading off the beaten path. As GMC's flagship SUV, the Denali Ultimate is loaded with premium amenities. The luxurious interior features beautifully appointed Brown full-grain leather seating, genuine wood trim, heated and ventilated front seats with massage functions, heated second-row seating, a heated steering wheel, panoramic power sunroof, power-folding third-row seating, wireless Apple CarPlay and Android Auto, navigation, Bluetooth connectivity, wireless charging, multiple USB ports, a large high-definition touchscreen infotainment system, and a fully digital driver information display. One of the standout luxury features is the incredible Bose Performance Series audio system, complete with headrest-integrated speakers that provide an immersive listening experience unlike any other SUV in its class. Combined with the quiet cabin and premium interior materials, every drive feels first class. Equipped with the factory tow package, this Yukon is ready to handle boats, campers, enclosed trailers, or other recreational equipment while still providing all the comfort expected from a luxury SUV. Advanced driver-assistance technologies include adaptive cruise control, lane-keeping assist, blind-spot monitoring, rear cross-traffic alert, HD surround-view cameras, front and rear parking sensors, forward collision warning with automatic emergency braking, and numerous additional safety features. With only 2,037 miles, this Yukon Denali Ultimate remains in outstanding condition and presents an opportunity to own one of GMC's most luxurious SUVs without the wait of ordering a new one. The professionally installed lift, 22-inch Forgestar wheels, 35-inch tires, factory tow package, striking White-over-Brown color combination, and premium Bose headrest audio system make this an exceptional vehicle that stands out from the crowd. If you're looking for a full-size luxury SUV that delivers premium comfort, advanced technology, impressive towing capability, and an aggressive custom appearance, this 2026 GMC Yukon Denali Ultimate 4x4 is ready for its next adventure.
