Dealer notes

The 2008 Scion xB is a practical and distinctive wagon that offers excellent versatility, reliable performance, and a surprisingly spacious interior. Powered by a 2.4-liter four-cylinder engine producing 158 horsepower and 162 lb-ft of torque, this xB delivers dependable efficiency and smooth everyday drivability. Paired with a manual transmission and front-wheel drive, it offers a more engaging driving experience while maintaining the practicality that has made the xB such a popular choice. With 122,456 miles, this Scion continues to reflect Toyota-backed reliability and the long-lasting value the brand is known for. Its unique boxy design gives the xB a standout look while also maximizing interior space for passengers and cargo. The five-door wagon layout makes it easy to load, unload, and adapt to a variety of daily needs, whether commuting, running errands, or transporting gear. Known for its roomy cabin, efficient performance, and dependable nature, the 2008 Scion xB is a smart and versatile vehicle that combines practicality with distinctive style.
