Dealer notes

2017 Hyundai Santa Fe SE AWD — Bold, Spacious, and Built to Deliver More Than You Expect The 2017 Hyundai Santa Fe SE AWD is the full-size SUV that punches well above its weight class — and at this price point, it represents one of the most compelling values on our entire lot today. Powered by a robust 3.3L V6 engine unleashing 290 horsepower and paired with a smooth 6-speed automatic transmission, the Santa Fe SE launches from 0–60 mph in just 7.0 seconds with a authoritative, confidence-inspiring power delivery that makes merging, passing, and open highway cruising feel effortless every single time. Hyundai's HTRAC AWD system intelligently distributes torque between all four wheels on demand — delivering the all-weather traction and stability that every Illinois driver needs when conditions turn unpredictable. Step inside the Santa Fe's generously proportioned cabin and discover an SUV that was designed with real families and real life in mind. Three rows of seating accommodate up to seven passengers in genuine comfort, with the second row delivering the kind of legroom that rear passengers actually appreciate on longer journeys. A well-appointed dashboard, quality interior materials, dual-zone automatic climate control, and a panoramic sunroof create a cabin atmosphere that feels far more premium than the Santa Fe's price tag would ever suggest. Versatile cargo configurations and a power tailgate make loading and unloading effortless every single day. Hyundai's intuitive touchscreen infotainment with Apple CarPlay, Android Auto, Bluetooth connectivity, and available navigation keeps every occupant connected and entertained on drives of any length. Blind-spot detection, rear cross-traffic alert, and a comprehensive suite of passive safety technologies deliver the intelligent protection every family deserves at all times. V6 power, three-row versatility, AWD confidence, and Hyundai's outstanding value proposition — all wrapped in a bold, road-commanding exterior that still looks sharp today. Come see it before it's gone.
