Dealer notes

The 2020 Nissan Versa SV CVT in Brilliant Silver Metallic is a sleek and stylish compact sedan designed to offer both comfort and advanced technology. Its eye-catching exterior, coupled with the sophisticated Graphite interior, creates a contemporary and welcoming atmosphere for both driver and passengers. The Versa is powered by a fuel-efficient 1.6L 4-cylinder engine, delivering a blend of performance and economy that is perfect for urban commuters and daily driving. Among its numerous features, the Versa SV CVT is equipped with a suite of advanced safety technologies including a blind spot monitor, forward collision warning, parking assist, and lane departure warning. These features work seamlessly together to enhance driving confidence and keep you safe on the road. The inclusion of auto high beams and a backup camera further increases visibility, making nighttime driving and parking in tight spaces safer and more convenient. In addition to its impressive safety features, the Versa offers modern conveniences like Bluetooth connectivity and keyless entry for a more enjoyable driving experience. The upgraded cloth seat trim in Graphite adds a touch of elegance to the spacious cabin. This model also comes with a comprehensive safety package and a five-piece set of carpeted floor mats, ensuring that both its interior and performance remain pristine. With compliance to 50 state emissions standards, the Versa is a smart choice for eco-conscious drivers, perfectly blending style, functionality, and responsibility in one sleek package.
