Dealer notes

STATE CERTIFIED REBUILT TITLE – 2018 Chrysler 300 Limited RWD – 100,189 Miles – Fully Loaded – Panoramic Sunroof – SafetyTec Plus – Navigation This 2018 Chrysler 300 Limited RWD is a fully loaded luxury sedan with a unique history and more than 50,000 miles of documented real-world use after its rebuilt title was originally issued. Finished in Gloss Black over a premium Black leather interior with perforated inserts, this 300 has the classic upscale appearance these cars are known for. Powered by the proven 3.6L Pentastar V6 and an 8-speed automatic transmission, it combines comfortable highway cruising with traditional rear-wheel-drive handling. Equipment is extensive, highlighted by the dual-pane panoramic sunroof, Uconnect 4C Navigation with 8.4-inch display, SafetyTec Plus Group, and premium Limited interior. Vehicle History & Condition We want to be completely transparent about this vehicle's history because there are two separate events buyers should understand. The State Certified Rebuilt Title was originally issued in 2022 at approximately 49,000 miles following a flood-related insurance loss. According to the history provided to us, the water level did not reach the top of the wheels, and the vehicle's electronics were operational. What makes this vehicle's history particularly noteworthy is what happened afterward: it was returned to the road and driven more than 50,000 additional miles after the rebuilt title was issued. At approximately 100,000 miles, the vehicle was later involved in a driver-side accident. That damage has since been repaired, and the Chrysler was re-inspected and recertified following the repair. It is now ready for its next owner with 100,189 miles. Why This Vehicle Stands Out Rather than being a recently repaired flood vehicle with no meaningful driving history afterward, this Chrysler accumulated over 50,000 miles following its original 2022 rebuilt certification. That extended period of use provides considerably more real-world history than a vehicle that was just repaired and immediately offered for sale. It's also an unusually well-equipped Limited, making it an attractive option for someone who understands its disclosed history and wants a lot of luxury equipment for the money. Vehicle Overview 3.6L Pentastar V6 Approximately 292 Horsepower 8-Speed Automatic Transmission Rear-Wheel Drive Gloss Black Exterior Black Leather Interior Limited Trim 100,189 Miles The Chrysler 300's large sedan platform provides a spacious cabin, comfortable highway ride, and traditional rear-wheel-drive layout that has become increasingly uncommon in modern full-size sedans. Premium Features & Options This 300 is fully loaded with an excellent selection of comfort and luxury equipment, including: Black Leather Seats with Perforated Inserts Dual-Pane Panoramic Sunroof Heated Front Seats Ventilated Front Seats as equipped Heated Rear Seats as equipped Heated Steering Wheel Power Front Seats Driver Memory Dual-Zone Automatic Climate Control Remote Start Keyless Entry Push-Button Start Premium Interior Trim Uconnect 4C Navigation & Technology The Uconnect 4C Nav system with 8.4-inch touchscreen provides an easy-to-use central interface for the vehicle's entertainment, navigation, connectivity, and

convenience functions. Technology includes: Integrated Navigation 8.4-Inch Touchscreen Apple CarPlay Android Auto Bluetooth Hands-Free Calling Backup Camera USB Connectivity Steering Wheel Audio Controls Premium Audio Features as equipped SafetyTec Plus Group The SafetyTec Plus Group adds desirable driver-assistance technology beyond the standard equipment of the Limited trim. Features include, as equipped: Adaptive Cruise Control Full-Speed Forward Collision Warning Lane Departure Warning Lane Keep Assist Blind Spot Monitoring Rear Cross Path Detection Automatic High Beams Advanced Brake Assist Front & Rear Park Assistance This package makes the vehicle especially well suited for highway commuting and longer-distance driving. Condition Expectations At 100,189 miles, this is a used vehicle and should be approached with realistic expectations. Normal cosmetic and mechanical wear associated with its age and mileage should be expected. Because of its previous flood history and subsequent accident history, we encourage serious buyers to inspect the vehicle thoroughly, test drive it, review its history, and arrange an independent pre-purchase inspection if desired. We're disclosing the history clearly so customers can determine whether the vehicle and its pricing make sense for their needs. Additional Benefits Fully Loaded Limited Panoramic Sunroof SafetyTec Plus Group Uconnect Navigation Premium Leather Interior Over 50,000 Miles Driven After Original Rebuilt Certification Recently Repaired & Recertified CarChief Vehicle Locating System Included OBD Monitoring & Diagnostics Trades Welcome Financing Available Nationwide Shipping Doorstep Delivery We complete over half of our sales out of state, and our team can assist customers with the purchasing process and nationwide transportation. Pricing Disclosure A \$1,295 dealer preparation package including the CarChief Vehicle Locating System will be added to the purchase price. This vehicle carries a State Certified Rebuilt Title. The rebuilt title was originally issued in 2022 at approximately 49,000 miles following a flood-related insurance loss. According to the information provided to us, the water remained below the top of the wheels and the electronics were operational. The vehicle subsequently accumulated more than 50,000 miles. Near its current mileage, it later sustained driver-side accident damage, which has been repaired, followed by another inspection and certification. Its complete history has been taken into consideration when pricing the vehicle. For a buyer comfortable with that fully disclosed history, this fully loaded Chrysler 300 Limited offers an extensive amount of luxury and technology for the money.
