Dealer notes

Get ready to dominate both the highway and the trail with this stunning 2023 Toyota Tacoma TRD Off Road Double Cab. Sporting a sleek Magnetic Gray Metallic exterior that perfectly contrasts with its modern Cement/Black interior, this midsize truck is designed for drivers who demand rugged style alongside legendary capability. With its aggressive stance and highly functional five-foot bed, this double cab configuration offers the ideal balance of passenger space and cargo utility, making it a standout choice for those looking to elevate their daily drive and outdoor adventures. Beneath the hood, this 2023 Toyota Tacoma is powered by a robust 3.5L V6 engine paired with an automatic transmission, delivering the reliable performance and muscle you need for hauling, towing, and trail riding. The advanced four-wheel drive (4WD) system provides exceptional traction and control, allowing you to confidently tackle challenging terrain, inclement weather, and off-road paths. Engineered with Toyota's heritage of durability, this TRD Off Road model is purpose-built to handle demanding tasks while maintaining a composed and capable ride on any surface. Inside the cabin, you will find a host of premium upgrades designed for convenience, style, and comfort, starting with the premium audio system featuring dynamic navigation to keep you seamlessly connected and on course. This model comes equipped with the advanced technology package, durable all-weather floor liners with door sill protectors, and distinctive blackout emblem overlays that enhance its bold exterior aesthetic. Enhanced trail and road visibility is provided by the LED headlights with black bezels and LED fog lights, ensuring a clear path ahead. Whether you are commuting through the city or exploring remote destinations, this beautifully equipped 2023 Toyota Tacoma offers the perfect combination of modern technology, utility, and refined ruggedness.
