Dealer notes

The 2020 Ford Escape SE AWD arrives with a documented service history and personal-use background, and this generation's redesign combined with the 1.5L EcoBoost with start-stop technology and an 8-speed automatic transmission means this Escape drives with a refinement that genuinely surprised people when it launched. All-wheel drive with active grille shutters gives you confidence through Illinois winters while quietly improving highway efficiency, which is the kind of engineering detail you don't notice until it's already working in your favor. Agate Black Metallic with dual chrome exhaust tips and LED signature lighting gives this Escape a clean, current presence that still looks fresh years later. Slide into the Dark Earth Gray cloth interior and the SE trim delivers more comfort than the badge suggests. A 10-way power driver seat with 4-way manual passenger adjustment, heated front seats, electronic automatic temperature control, a rotary gear shift dial, and a split fold-and-slide rear seat make daily life genuinely easier, whether you're hauling groceries or folding seats down for a bigger project. Illuminated entry, dual illuminated vanity mirrors, and a tilt-and-telescoping steering column with cruise and audio controls round out a cabin that feels considered in every detail, not just the ones you notice immediately. Ford Co-Pilot360 Assist brings adaptive cruise control with Stop and Go, a voice-activated touchscreen navigation system, and a full suite of driver assists into every trip, working quietly alongside AdvanceTrac with RSC and the Personal Safety System to keep you protected without ever feeling intrusive. SYNC 3 with an 8-inch screen, FordPass Connect 4G WiFi hotspot, and SiriusXM keep the cabin connected on every drive. A documented-service, personal-use Escape SE with AWD and this level of standard technology at this price point is exactly the kind of smart, low-risk purchase that experienced compact SUV shoppers recognize immediately. Come see it at Carlux in Waukegan and feel the difference across Chicagoland.
