Dealer notes

Experience the pinnacle of modern electric driving with this pristine, Carfax 1-Owner 2023 Tesla Model 3 RWD. Draped in a sophisticated Midnight Silver Metallic exterior, this highly sought-after electric sedan commands attention with its sleek, aerodynamic lines and minimalist aesthetic. Inside, the striking White/Black interior offers a futuristic cabin experience, contrasting beautifully with the dark exterior hue. As a single-owner vehicle with a documented history, this Model 3 represents an exceptional opportunity for buyers looking to step into the world of premium electric mobility with absolute peace of mind. Engineered for efficiency and engaging dynamics, the rear-wheel-drive (RWD) powertrain of this 2023 Tesla Model 3 delivers a remarkably smooth and responsive ride. Driven by an advanced electric motor, the vehicle provides instant torque for seamless acceleration, making highway merging and city commuting effortless. The RWD configuration optimizes weight distribution for agile handling, while the vehicle's sophisticated battery management ensures a highly practical driving range for both daily commutes and weekend road trips. Regenerative braking further enhances efficiency, returning energy to the battery while providing an intuitive, single-pedal driving experience. Inside the cabin, the 2023 Tesla Model 3 RWD showcases a masterclass in minimalist luxury and cutting-edge technology. The focal point of the interior is the expansive 15-inch central touchscreen, which seamlessly controls navigation, climate settings, and media, while standard active safety features provide added peace of mind on every journey. Passengers will also enjoy the airy, open feel created by the standard glass canopy roof that floods the cabin with natural light. Combining sustainable engineering, head-turning style, and a proven single-owner pedigree, this exceptional electric vehicle is ready to elevate your daily drive.
