Dealer notes

Clean and well-maintained 2010 Toyota Prius II hatchback with only 112,279 miles. One owner, clean title, and an impressive 41 documented service records. Powered by Toyota's proven 1.8L gasoline-electric hybrid system with automatic transmission and front-wheel drive, this Prius is known for excellent fuel economy, practical hatchback cargo space, and low everyday operating costs. The one-owner history and extensive maintenance record really help this Prius stand out, especially for its age. With just 112k miles, it has considerably lower mileage than many comparable older Prius models on the market. Great choice for commuting, students, rideshare, delivery use, road trips, or anyone looking for an economical daily driver.
