Dealer notes

The 2007 Chevrolet Silverado 3500 Classic 2WD Regular Cab is a robust and dependable workhorse designed to meet the demands of heavy-duty tasks. Cloaked in a sleek Summit White exterior, this truck combines utility and style, making a statement on every road it graces. Its commanding presence is complemented by a sophisticated Dark Charcoal interior that provides a comfortable and ergonomic driving environment. Under the hood, the Silverado boasts a formidable 6.6L Duramax Turbo Diesel V8 engine, renowned for its power and durability. Paired with the Allison 1000 6-speed automatic transmission, this truck offers smooth, electronically controlled shifting with overdrive, electronic engine grade braking, and a convenient tow/haul mode. The heavy-duty automatic locking rear differential ensures optimal traction and stability, even when dealing with challenging terrains or substantial payloads. Inside the cabin, the front 40/20/40 split-bench seat accommodates up to three passengers, with manual reclining options for both the driver and passenger. This smart interior layout offers flexibility and comfort, making long drives or long workdays more tolerable. As a Rear Wheel Drive vehicle with Dual Rear Wheels (DRW), the Silverado 3500 is geared towards those needing a dependable and high-performing truck for towing, hauling, or any demanding job you might encounter.
