Dealer notes

Experience the perfect blend of modern luxury and cutting-edge efficiency with this stunning 2016 Tesla Model S. Showcasing the desirable 2016.5 refreshed body styling, this premium electric sedan features a sleek Gray exterior that perfectly complements its sophisticated Black interior. As a pioneer in the luxury EV segment, this Model S offers an unmatched curb appeal, combining a sweeping aerodynamic profile with a spacious four-door sedan layout that is designed to turn heads while delivering a premium, whisper-quiet driving experience. Beneath its elegant exterior, the 2016 Tesla Model S 75 delivers exhilarating, zero-emission performance. Powered by a responsive rear-wheel-drive (RWD) electric propulsion system paired with a 75 kWh battery, this sedan offers instant torque and seamless acceleration right from a standstill. The low center of gravity—achieved by the strategic floor-mounted placement of the battery pack—provides exceptionally planted handling and a smooth, composed ride, making it an ideal choice for both spirited highway cruising and daily city commuting. Inside, the cabin of this 2016 Tesla Model S 75 RWD centers around a tech-forward, minimalist design. The focal point of the interior is the brilliant 17-inch vertical touchscreen, which intuitively controls media, navigation, and cabin climate settings. Passengers will enjoy standard conveniences such as dual-zone automatic climate control, a high-definition rearview camera, and the versatile utility of a rear liftback that opens up to ample cargo space. If you are ready to transition to a premium, eco-conscious driving experience without sacrificing style or capability, this beautifully maintained electric sedan is the perfect choice.
