2024 FORD F-450 LIMITED | HIGH OUTPUT POWER STROKE DIESEL | 1,200 LB-FT TORQUE | FX4 OFF-ROAD | ADMIRAL BLUE INTERIOR Topline Auto Group is proud to present this exceptionally equipped 2024 Ford F-450 Super Duty Limited Crew Cab 4x4, finished in stunning Agate Black Metallic over a luxurious Admiral Blue and Light Slate leather interior. Representing the pinnacle of Ford Super Duty luxury and heavy-duty capability, the F-450 Limited combines extraordinary diesel performance, advanced towing technology, and an exceptionally refined interior. Under the hood sits Ford's formidable 6.7-liter High Output Power Stroke turbocharged diesel V8 producing an impressive 500 horsepower and 1,200 lb-ft of torque, paired with a heavy-duty 10-speed TorqShift automatic transmission and four-wheel drive. Engineered for exceptional towing capability and demanding workloads, this powerful diesel drivetrain delivers tremendous low-end torque, confident acceleration, and impressive long-distance hauling performance. This particular example features the highly desirable FX4 Off-Road Package, adding specially tuned off-road shock absorbers, Hill Descent Control, and protective skid plates for additional confidence when traveling beyond paved roads. The bold Agate Black Metallic exterior highlights the F-450 Limited's commanding stance, distinctive grille, LED lighting, and unmistakable Super Duty styling. Its dual-rear-wheel configuration and 19.5-inch forged polished aluminum wheels further emphasize the truck's heavy-duty engineering. The bed is equipped with a TOUGH BED spray-in bedliner, providing additional protection against the demands of everyday truck use. Inside, the exclusive Admiral Blue and Light Slate interior delivers an exceptional level of luxury with premium leather appointments, heated and ventilated front seats, heated rear seating, front-seat massage functionality, and a heated leather-wrapped steering wheel. The cabin is complemented by a premium 14-speaker audio system, expansive panoramic twin-panel moonroof, Head-Up Display, navigation, and Ford's advanced infotainment technology. Advanced towing conveniences include power-extending trailer mirrors, an integrated tailgate step, and multiple camera views that enhance visibility when maneuvering this substantial truck. Driver-assistance technology includes Adaptive Cruise Control with Stop-and-Go, Blind Spot Information System with Trailer Tow Coverage, Lane Keeping Assist, and automatic emergency braking. With its extraordinary High Output Power Stroke diesel engine, premium Limited interior, advanced towing technology, and rugged dual-rear-wheel configuration, this F-450 offers an impressive combination of uncompromising capability and first-class luxury.
