Body type: American Classic

Fuel economy: — city / — highway MPG

Dealer: Zoom Classic Cars, North Haledo, NJ 07508

Dealer phone: 844-496-6622

Dealer notes

***Vehicle Located in MA - Zoom Classic Cars presents this 1966 Ford Thunderbird Sport Roadster Tribute Convertible. As Thunderbird enthusiasts know, Ford did not build a Sport Roadster in 1966 but a FL company made the Fiberglass Tonneau Cover that buyers could order to create a Tribute Sport Roadster and this one is a fine example. Featuring the 390CI 4 barrel engine situated in a very clean engine compartment. Rebuilt 4 Speed C-6 Automatic transmission with shift on the column and 96K Original Miles. Power steering, brakes, windows and locks all function as they should. Black vinyl interior with bucket seats in excellent condition and full console. Full gauge cluster including a very cool Rolling Speedometer that moves left to right as speed increases. Factory AM/FM radio. AC has been converted to R134 and works as it should. Red repaint in excellent condition that shines brightly with only a very few minor imperfections that can be remedied with touch up that comes with the car. All the body panels line up nicely on the vehicle and all the Chrome, stainless and badging are intact and in excellent condition. Black power convertible top in excellent condition that works perfectly and in a remarkable ballet of mechanical and electronic wizardry directly related to the 'retractable' hardtops of the 1950s, folds away neatly within the trunk compartment. With the added Tonneau Cover that fits seamlessly over the back seats, your 4 seat T-Bird transforms into the great looks of a Factory Sports Roadster. Undercarriage of the car is very clean and solid with no evidence of rust and features a dual exhaust glasspak set-up that sounds great. The car rides smoothly on 15 inch wheels with factory wheel covers. Meticulously maintained and always garaged, this T-bird has many new parts, comes with clean MA title in the owner's name, car cover and a binder of receipts and documentation for all work performed by the current owner. This T-Bird is turnkey and runs, drives and handles 100%. Call Jeff for additional info. Thanks for Looking. Price does not include \$0 processing fee
