Dealer notes

2024 Ram ProMaster 2500 — One Owner, Maintained Right, Built for What Matters Powering this 2024 Ram ProMaster 2500 is a robust 3.6L Pentastar V6 engine delivering 276 horsepower and 250 lb-ft of torque, paired with a smooth 9-speed automatic transmission engineered to handle the demands of commercial duty day after day without complaint. Verified by CARFAX as a one-owner vehicle with zero accidents or damage reported and a consistent record of regular oil changes, this ProMaster arrives with a maintenance history that speaks directly to how well it has been kept. When provenance matters as much as capability, this van delivers both in equal measure. Step inside and experience a driver-focused cabin engineered around productivity and long-haul comfort. The low load floor, wide cargo doors, and massive interior volume make loading, organizing, and accessing cargo faster and easier than any competing commercial van on the market. The ergonomic driver's seat, adjustable steering column, and intuitive dashboard layout minimize fatigue across full workdays, while generous storage compartments throughout the cab keep tools, paperwork, and daily essentials organized and within arm's reach at all times. Uconnect infotainment brings a responsive touchscreen, Bluetooth hands-free calling, and audio streaming to the cab, keeping you connected and focused across every route on your schedule. A rearview camera, electronic stability control, hill start assist, and trailer sway control deliver a dependable safety foundation built for real commercial demands in every season and every condition. Whether you're running deliveries, managing a mobile service operation, or expanding a growing fleet, this meticulously maintained one-owner ProMaster 2500 is turnkey-ready and priced to move fast.
