Dealer notes

Command the road in uncompromising style with this stunning 2022 GMC Yukon XL 4WD AT4. Draped in a sleek Onyx Black exterior, this full-size SUV seamlessly blends rugged capability with sophisticated design, featuring the extended wheelbase of the XL model for maximum passenger and cargo versatility. The bold AT4 presence is complemented by a premium Jet Black interior, creating a refined atmosphere inside a vehicle built to take on tough journeys. For buyers seeking the ultimate combination of full-size capability, premium comfort, and commanding style, this 2022 GMC Yukon XL AT4 delivers an unmatched driving experience. Under the hood, this Yukon XL AT4 is powered by the authoritative 6.2L EcoTec3 V8 engine, delivering robust power and performance for confident passing, highway cruising, and demanding tasks. Coupled with a proven Four-Wheel Drive system, this SUV provides exceptional traction and control across a variety of road conditions and rough terrain. To handle that V8 performance with confidence, this model features the LPO front 6-piston Brembo brake upgrade, delivering superior stopping power, improved pedal feel, and enhanced thermal performance when you need it most. Inside, the cabin is thoughtfully tailored for ultimate convenience and open-air enjoyment. Passengers benefit from power-retractable assist steps with perimeter lighting that deploy automatically for smooth entry and exit while illuminating the ground below. Above, the dual-pane power panoramic sunroof spans the cabin, filling the Jet Black interior with natural light and offering incredible outdoor views for every row.
