### Dealer notes

2017 Volkswagen Beetle Convertible 1.8T SEL – STATE CERTIFIED REBUILT TITLE – ONLY 38,836 MILES – BOTTLE GREEN METALLIC – SOUTHERN VEHICLE Stand out in something you simply don't see every day with this gorgeous 2017 Volkswagen Beetle Convertible 1.8T SEL, finished in the incredibly distinctive Bottle Green Metallic over the unique Classic Sioux/Check interior. With only 38,836 miles, a power convertible top, turbocharged engine, and top-level SEL trim, this is an exceptionally low-mileage and special Beetle configuration. This Beetle carries a State Certified Rebuilt Title, but its previous damage was remarkably limited. The incident involved the front hood, which sustained a dent and was replaced. There was no frame damage and no airbag deployment. Add in its history of spending most of its life in Southern states including Louisiana and Texas, and you have an extremely clean, rust-free, low-mileage convertible in a color combination that's difficult to duplicate.

For complete transparency, this Beetle's rebuilt-title history resulted from an incident that was very light compared with what many buyers associate with a rebuilt-title vehicle. The damage was concentrated on the hood, which was dented and replaced. There was no frame damage and no airbag deployment. The vehicle has since been repaired and completed the required state certification process. We encourage buyers to look at the vehicle's condition for themselves because this is an especially clean example. Why This Beetle Stands Out ' ONLY 38,836 MILES! This 2017 Volkswagen Beetle Convertible 1.8T SEL has only 38,836 miles and carries a State Certified Rebuilt Title. For complete transparency, its previous damage was concentrated on the front hood, which sustained a dent and was replaced. There was no frame damage and no airbag deployment. Beyond its history, this is simply a very special Beetle. It spent most of its life in Southern states such as Louisiana and Texas, helping preserve an exceptionally clean, rust-free condition. Then there's the specification: Bottle Green Metallic, Classic Sioux/Check interior, SEL trim, turbocharged engine, power convertible top, and fewer than 39,000 miles. Volkswagen discontinued the Beetle after 2019, and clean, low-mileage convertibles in unusual colors are becoming increasingly difficult to find. This isn't another ordinary used car that can easily be replaced with the next one on the market. If you've been looking for a low-mileage Beetle Convertible in a truly special color combination, this one won't last long. +P Be sure to check out our Facebook profile to see how many happy customers we've had!
