FULLY SERVICED AND READY TO GO! 2000 Saturn SL2. ONLY 57K MILES! Two owners, accident-free CARFAX, and a South Carolina car its entire life. Finding any 26-year-old car with mileage this low is unusual, but finding a clean Southern example with this kind of history makes it even better. It runs and drives excellent, has cold A/C, and comes from an era of simple, straightforward cars without layers of unnecessary technology. This Saturn has already gone through our shop for inspection and service and is in awesome 57k shape. If you're looking for affordable transportation with incredibly low miles and a great history, this one is hard to ignore. Sometimes the best budget car is the one that barely got used. *New Arrival price may adjust with our investment in repairs and maintenance.. **Please call or text before coming to verify price and availability. ***12-Month Maintenance Plan: \$299 on any vehicle.
