Dealer notes

2024 Mustang GT Fastback, automatic, Shadow Black/Space Gray, Equipment Group 301A 2. ENGINE / POWERTRAIN 5.0L Coyote V8 5.0-liter Ti-VCT V8 Dual overhead camshaft 32 valves Port Fuel Direct Injection (PFDI) Ti-VCT variable camshaft timing Engine start/stop system Naturally aspirated 480 hp factory rating 418 lb-ft torque Rear-wheel drive Electronic engine management Selectable drive modes Transmission 10-Speed SelectShift Automatic — Ford option 44U 10 forward speeds SelectShift manual control Paddle-shift capability Electronic shift control Sport-oriented shift programming The 2024 Ford price list identifies the 10-speed automatic as option 44U, with a \$1,595 suggested retail price. Rear axle For the automatic GT, the standard configuration uses the 3.15:1 limited-slip rear axle unless the separately ordered 3.55 axle/Performance Package is installed. This VIN does NOT show the GT Performance Package, so I would identify it as: 3.15:1 limited-slip rear axle Conventional electronically controlled limited-slip differential RWD Ford's 2024 documentation lists the 3.55 limited-slip axle as a separate option and the GT Performance Package as a separate package. 3.
