Dealer notes

The 2022 Porsche Cayenne E-Hybrid AWD in Carrara White Metallic is a striking blend of performance and elegance, standing as a testament to Porsche's commitment to innovation and design. Its sleek exterior is perfectly complemented by the sophisticated Black/Mojave Beige interior, offering a luxurious and inviting cabin space. Designed with precision, the Cayenne E-Hybrid combines the robust capabilities of a 3.0L 6-cylinder engine with hybrid technology, delivering an exhilarating and efficient driving experience. With the Style of E-Hybrid AWD, this Porsche provides formidable all-weather, all-terrain capability. The meticulously crafted interior, featuring the premium package and premium package plus, envelops driver and passengers in comfort and convenience with high-end materials and advanced technology. The adaptive air suspension with Porsche Active Suspension Management (PASM) ensures a smooth and dynamic ride, adapting to road conditions and driver input for optimum performance. Equipped with a 7.2 kW on-board charger, the Cayenne E-Hybrid offers efficient charging solutions to minimize downtime. The surround view system is an invaluable feature, providing enhanced situational awareness with a comprehensive 360-degree view, making parking and maneuvering effortless. Combining style, power, and advanced features, the 2022 Porsche Cayenne E-Hybrid AWD continues to elevate the driving experience into an art form.
