Frequently Asked Questions Q: What is Pilot Assist? A: It can provide steering assistance and help maintain a selected speed and following distance under appropriate conditions. The driver must remain attentive. Q: Can the third-row seats be folded when not needed? A: Yes. Folding the third row creates additional luggage space while retaining seating for passengers in the first two rows. Q: Does the T5 engine require premium gasoline? A: Volvo recommends premium gasoline for optimal performance from the turbocharged engine.
