Dealer notes

Discover the perfect blend of presence, capability, and reliability with this stunning 2011 Toyota Sequoia RWD Ltd. Wearing a commanding Black exterior that perfectly complements its refined Sand Beige interior, this full-size SUV is designed to make a statement on any road. Whether you are planning extended family road trips or navigating daily commutes, this vehicle offers the premium cabin space and sophisticated styling that active buyers demand from a high-quality SUV. Under the hood, the 2011 Toyota Sequoia is powered by a robust 5.7L 8-cylinder engine paired with a smooth-shifting 6-speed automatic transmission. This potent V8 powertrain delivers the dependable performance and heavy-duty utility required to haul cargo, passengers, or trailers with absolute confidence. Equipped with a rear-wheel-drive (RWD) system, this vehicle provides a composed ride quality and excellent highway cruising dynamics, making it an incredibly capable choice for your towing and traveling needs. Inside, the cabin is loaded with desirable amenities, including a built-in navigation system to guide your journeys and a rear seat entertainment system to keep passengers occupied on long drives. The seating configuration features comfortable 2nd row captain's chairs that offer excellent passenger comfort and easy access to the rear of the vehicle. Engineered to meet environmental standards with 50-state emissions, this well-appointed 2011 Toyota Sequoia stands ready to elevate your daily driving experience.
