Dealer notes

Experience the perfect blend of cutting-edge innovation and iconic modern design with this stunning 2020 Tesla Model 3 Long Range AWD. Finished in a brilliant Pearl White Multi-Coat exterior, this sleek all-electric sedan captures attention while setting the benchmark for sustainable luxury driving. Designed to deliver premium comfort, effortless digital connectivity, and zero-emission efficiency, the Model 3 remains one of the most desirable electric vehicles on the road today. Whether you are seeking an elevated daily commute or a tech-forward long-distance highway cruiser, this vehicle delivers an unbeatable combination of style, usability, and forward-thinking engineering. Underneath its refined aesthetic lies Tesla's sophisticated Dual Motor All-Wheel Drive system, offering exceptional capability and dynamic control in virtually all driving conditions. The dual electric motors independently control torque to the front and rear wheels, delivering instantaneous acceleration, sharp handling, and superior traction on wet or slippery roads. As a Long Range model, this 2020 Tesla Model 3 provides extended battery capacity, allowing you to travel further between charges with complete confidence. With no conventional engine maintenance required and smooth, quiet power at your disposal, every journey feels responsive and remarkably refined. Step inside to discover a spacious black interior defined by Tesla's signature minimalist aesthetic. The modern cabin centers around an intuitive central touchscreen display that seamlessly manages climate control, navigation, entertainment, and vehicle settings. A full-length glass roof fills the cabin with natural light while protecting occupants from UV rays, creating an open and airy feel for both driver and passengers. With its winning combination of striking looks, electric efficiency, and standard-setting technology, this 2020 Tesla Model 3 Long Range AWD is ready for its next owner—contact us today to schedule a demonstration and experience the future of driving firsthand.
