Own a Piece of Supercharged HEMI History! The Ram 1500 TRX represents a special chapter in the history of American performance trucks. With its 702-horsepower supercharged 6.2L HEMI V8, advanced Bilstein suspension, full-time 4WD, and aggressive wide-body design, the TRX delivers a combination of performance and capability that few factory pickups can match. And with production of the supercharged HEMI-powered TRX ending after the 2024 model year, these trucks represent the final years of an incredible high-horsepower pickup platform. Whether you're a performance enthusiast, truck collector, or simply someone who wants one of the most exciting pickups on the road, this TRX deserves serious consideration. With 57,713 miles, a Clean CARFAX with No Accidents, and a NEW PRICE OF \$73,927, this is an excellent opportunity to own a legendary supercharged Ram TRX. If you've been searching for a clean, blacked-out, 702-horsepower Ram TRX, come see this one before it's gone!
