### Dealer notes

Meet the ultimate road warrior: a sleek White 2024 Chevy Malibu LT with 107,128 miles, available right now at Ohio Motor Group in Bridgeport, OH. The Story: The Ghost in the Machine Once upon a time, a hardworking traveling salesman named Gary bought this exact 2024 Chevy Malibu LT. Gary didn't just drive; Gary lived on the highway. Over the course of just a couple of years, Gary clocked an impressive 107,128 miles traveling across the tri-state area. Gary was a man obsessed with comfort. He spent so many hours in the 8-way power driver's seat with the heated cushions cranking that local folklore claims his physical essence actually bonded with the car's fabric. When Gary finally traded the car in Ohio Motor Group, our detailing team swore they could still hear Gary's voice. Whenever the car went over a bump, a faint whisper echoed through the dual-zone automatic climate control vents: "Remember to check your blind spots, and don't forget to call your mother..." The detailers tried everything to clear the "ghost," but Gary wasn't haunting the car out of malice. He was just incredibly attached to the smooth-shifting CVT automatic transmission and the fuel bill savings. Legend has it that if you drive this Malibu responsibly, the ghost of Gary will grant you perfect highway green lights and help you squeeze out every bit of that EPA-estimated 35 MPG highway rating. Why This Malibu Rules (Even With Gary Included) While 107k miles might sound like a lot for a newer model, it just p
