Awards: * 2014 KBB.com Brand Image Awards Reviews: * New, more fuel-efficient engines; improved interior; quiet highway ride. Source: Edmunds * The 2014 Sierra's innovative powertrains and handsome aesthetics should appeal to longtime GMC fans and tempt buyers new to the brand. In just one of many "mine is bigger" battles in the half-ton truck market, the 2014 Sierra's 12,000-pound max tow rating is expected to be king - at least for now. Source: KBB.com * The 2014 GMC Sierra 1500 is all new for 2014. It possesses chiseled features and distinct lines that not only make it look imposing, but increase how aerodynamic it is as well. In front, between the projector beam headlights, there is an incredibly striking and enormous chrome grille. While driving, it takes in a large portion of the air for cooling the engine, and lets the remainder glide across the truck. It is complimented by a bumper made of sculpted steel, a strong angled
