Dealer notes

Introducing the powerful and versatile 2023 Ram ProMaster 2500 159 WB. With its spacious 159-inch wheelbase, this van offers plenty of room for all your cargo and equipment needs. Equipped with a Pentastar 3.6L V6 engine, this beast boasts an impressive 276 horsepower and 250 foot-pounds of torque, making it perfect for any job or adventure. And with a 9-speed shiftable automatic transmission, you can effortlessly navigate through any terrain or traffic.

But the 2023 Ram ProMaster 2500 offers more than just power, it also offers convenience and comfort. The interior is designed with extra spacing, allowing for maximum storage and organization of your tools and supplies. Plus, with its sleek and modern design, you'll make a great impression on your clients while on the road.

This ProMaster is not just a work vehicle, it's also equipped with advanced safety features such as lane departure warning, forward collision warning, and a rearview camera to ensure your safety and the safety of those around you.

Don't wait any longer, upgrade your fleet with the 2023 Ram ProMaster 2500 159 WB and experience the ultimate combination of power, space, and comfort. Contact us now to schedule a test drive and see for yourself why the ProMaster is the top choice for businesses and adventurers alike.
