Dealer notes

The 2022 Nissan Sentra SV CVT with its eye-catching Electric Blue Metallic exterior is a striking blend of style and functionality. The sleek design of the Sentra SV is complemented by the 16-inch Alloy Wheels and a set of factory-installed body-colored splash guards, giving it a dynamic and modern appearance. The smart design continues inside, where the Black interior offers a seamless blend of comfort and elegance, highlighted by high-quality materials and finishing touches like the stainless steel door sill plates. Performance meets practicality with the Sentra's 2.0L 4-cylinder engine, delivering efficient power on every drive. The advanced technology package equipped in the Sentra SV includes key features such as active cruise control, forward collision warning, and a blind spot monitor, ensuring a safer and more confident driving experience. The inclusion of auto high beams and lane departure warning offers additional peace of mind, enhancing visibility and helping to prevent inadvertent lane changes. For added convenience, the Sentra SV is equipped with remote start and a parking assist feature, allowing for an effortless beginning to your journeys. The interior comes with heated seats and the [X01] all-weather package, making it perfect for cold weather drives. Additionally, the trunk package and [L92] carpeted floor mats with a trunk mat ensure ample storage and organization. The integrated backup camera further aids in easy maneuverability, making the 2022 Nissan Sentra SV CVT a well-rounded choice for modern drivers.
