Dealer notes

V8 power. Super Cruise technology. Three-row versatility. If you want serious V8 performance and advanced highway technology with room for the family, this well-maintained 2023 Cadillac Escalade Sport 4WD brings it together in a bold package. Finished in Galactic Gray Metallic over Jet Black, this particular Escalade's Sport trim uses dark exterior accents in place of traditional brightwork, giving the metallic gray finish a sharper, more contemporary appearance. Clean CARFAX with no accidents or damage. Inspected, serviced and ready to go. 4 Month/4,000-Mile Warranty. The 6.2L V8 produces 420 horsepower and 460 lb-ft of torque, paired with a 10-speed automatic transmission and Four-Wheel Drive. Dynamic Fuel Management can vary the number of active cylinders based on driving demand to help balance power and efficiency. Inside, the Jet Black cabin provides three rows of seating with flexible space for passengers and cargo. Super Cruise adds hands-free driver-assistance capability on compatible roads when operating conditions and system requirements are met. Frequently Asked Questions Q: What distinguishes the Sport trim visually? A: The Sport uses darkened exterior accents in place of much of the traditional bright trim for a more aggressive appearance. Q: Does Super Cruise mean the Escalade drives itself? A: No. Super Cruise is a driver-assistance system. The driver must remain attentive and ready to take control when required. Q: What is Dynamic Fuel Management? A: It can automatically vary the number of active cylinders based on driving demand, reducing unnecessary engine operation when full V8 power is not needed.
