Dealer notes

Turn heads everywhere you go with this stunning 1956 Mercury Monterey, a true classic custom cruiser loaded with an incredible hydraulic setup for both the front and rear wheels. The previous owner invested over \$60,000 into the professionally installed hydraulic system, and it works flawlessly - allowing you to control the front wheels independently, the rear wheels independently, or all four at the same time for an unforgettable show presence. This Monterey blends timeless 1950s styling with serious custom craftsmanship, making it the perfect car for cruises, shows, or collectors looking for something unique. The car has been exceptionally cared for, runs great, and the hydraulic system performs exactly as it should. Offered at \$79,900, this is your chance to own a beautifully customized piece of classic American automotive history that stands out from the crowd everywhere it goes.
