### Dealer notes

The 2023 Mercedes-Benz GLS 450 isn't just a luxury SUV—it's the definition of grace in motion, a seamless blend of commanding power, modern technology, and handcrafted elegance. Draped in Polar White, this GLS projects purity and prestige, while the Macchiato Beige interior envelopes its occupants in warmth and sophistication. It's a sanctuary on wheels—a modern S-Class for seven. With 49,418 miles, this meticulously cared-for GLS 450 stands as a showcase of Mercedes-Benz's mastery in luxury and innovation—a vehicle built not merely to transport, but to elevate every journey. Power & Performance – The Intelligence of Motion Under the hood lives a powertrain engineered to deliver effortless capability: 3.0-liter inline-6 turbocharged engine with EQ Boost mild hybrid system 362 horsepower and 369 lb-ft of torque, with an additional 21 hp and 184 lb-ft of electric boost on demand 9G-TRONIC automatic transmission for silken shifts and superb efficiency 4MATIC® all-wheel drive dynamically distributes torque for precise control in all conditions AIRMATIC® air suspension with Adaptive Damping provides a “magic carpet” ride—floaty when cruising, firm when carving corners The result? A vehicle that glides like a grand tourer, accelerates with the confidence of a sports sedan, and carries the poise of a flagship SUV. Driver Assistance Package Plus – Intelligence Meets Intuition The Driver Assistance Package Plus transforms the GLS into an intelligent co-pilot—one that sees, anticipates, and protects: Active Distance Assist DISTRONIC® – adaptive cruise control that maintains set distances in traffic Active Steering Assist – gentle corrections to help you stay centered in your lane Active Lane Change Assist and Blind Spot Assist for effortless highway confidence Active Emergency Stop Assist for automatic intervention when needed PRE-SAFE® Impulse Side system and Active Brake Assist with cross-traffic detection This isn't just technology—it's peace of mind, wrapped in Mercedes precision. Interior – Serenity Meets Craftsmanship Open the door, and you're greeted by an interior that feels like a private lounge. The Macchiato Beige MB-Tex upholstery contrasts beautifully with brushed aluminum trim and ambient lighting that can be tailored to your mood. Power-adjustable, heated front seats with memory and lumbar support 12.3” digital instrument cluster and 12.3” central touchscreen with MBUX voice control (“Hey Mercedes”) Navigation with augmented reality, Apple CarPlay®, and Android Auto™ 64-color ambient lighting, multizone climate control, and power-folding third-row seats It's a cabin designed not merely to impress—but to soothe, inspire, and connect. Luxury & Convenience – Refined in Every Detail The GLS 450 embodies luxury in its purest form through thoughtful features that elevate every experience: Soft-Close Doors that whisper refinement with every entry and exit Power panoramic sunroof inviting natural light and open-air freedom Trailer Hitch – for the power to tow up to 7,700 lbs, ready for any adventure Hands-free power tailgate, keyless start, and illuminated running boards for everyday ease Every interaction feels deliberate—every moment feels first-class. Summary This 2023 Mercedes-Benz GLS 450 4MATIC, in Polar White over Macchiato

Beige, is the perfect embodiment of modern luxury and performance. With its Driver Assistance Package Plus, AIRMATIC suspension, soft-close doors, and towing capability, it delivers a seamless blend of innovation, strength, and serenity. With just 49,418 miles, it remains as refined as the day it left Stuttgart—a flagship SUV that rewards the driver and pampers every passenger.
