Dealer notes

This 2003 Acura MDX Touring AWD is a practical and affordable SUV with 227,385 miles, a 3.5L V6 engine, automatic transmission, and all-wheel drive. It also has a no-accident history and 3rd-row seating, making it a solid option for someone needing extra passenger room without spending a lot. The Touring trim gives this MDX a nicer feel than a basic SUV, while the AWD system makes it a good fit for Washington weather, commuting, family use, or anyone needing an affordable 3-row SUV with space and utility. Acura MDX models are known for comfort, dependability, and Honda/Acura reliability, which helps make this a good value SUV. At TNT AUTO & RV SALES, we offer financing through banks and credit unions, and cash deals can be done in 30 minutes or less. We are a family-owned dealership serving Tacoma for almost a decade and one of the highest-rated dealers in the area with a 4.6/5 Google rating.
