Dealer notes

Discover the perfect blend of sportiness and premium refinement with this eye-catching 2013 Ford Focus Titanium 5-door hatchback. Draped in a striking Performance Blue exterior, this top-tier hatchback makes a bold statement on any road, beautifully complemented by a sophisticated Charcoal Black/Charcoal Black interior. As the premier trim level, this Titanium model elevates the daily commute, offering buyers a high-end driving experience wrapped in a highly practical five-door hatchback body style. Under the hood, this 2013 Ford Focus is powered by a responsive 2.0L GDI I4 PZEV engine, delivering an optimal balance of spirited performance and efficiency. This advanced 2.0L 4-cylinder powerplant pairs beautifully with the upgraded Titanium Handling Package, which sharpens steering response and enhances cornering stability for a truly engaging ride. Whether you are navigating tight city streets or cruising on the open highway, this hatchback offers an exceptionally composed and athletic driving experience. Inside the cabin, passenger comfort and cutting-edge technology take center stage. Enjoy the open-air feeling provided by the power moonroof, while the integrated navigation system guides you effortlessly to your next destination. Parking in tight urban spaces becomes entirely stress-free thanks to the innovative Active Park Assist system, which helps steer the vehicle into parallel spots. Combining premium cabin finishes, advanced technology, and versatile cargo space, this 2013 Ford Focus Titanium is an outstanding choice for buyers seeking a well-rounded, feature-packed daily driver.
