Dealer notes

The 2022 GMC Sierra 1500 4WD Crew Cab 147" Denali is the epitome of power and sophistication, boasting a robust 6.2L EcoTec3 V8 engine. Its Titanium Rush Metallic exterior exudes a sleek yet commanding presence, capturing attention whether cruising through the city or tackling rugged terrains. This powerful engine is paired with a four-wheel-drive system that promises an impeccable off-road experience, perfectly balancing performance with luxury. Inside, the Jet Black interior reflects a meticulous attention to detail that Denali is renowned for, offering a blend of comfort and cutting-edge technology. The Denali Preferred Equipment Group included in this model ensures a premium driving experience with advanced features and capabilities. Meeting emissions standards in states like Connecticut, Delaware, Maine, and others, this vehicle caters to environmentally conscious drivers without sacrificing power or performance. With a GVWR of 7100 lbs. (3221 kg), the Sierra 1500 Denali maintains its robust capability, able to handle heavy loads with ease. The 4WD Crew Cab design provides ample space for passengers and cargo alike, making it perfect for both family adventures and professional use. Whether you're navigating urban streets or venturing into the wilderness, this GMC Sierra combines rugged reliability with elevated style, setting a benchmark for luxury trucks in its class.
