Dealer notes

Supreme Motors is pleased to offer this 2014 Ford C-Max Energi SEL, a versatile plug-in hybrid with just 50,251 miles reported on CARFAX. Combining a spacious hatchback design with the flexibility of electric and gasoline power, the C-Max Energi is an appealing choice for drivers seeking everyday comfort, practicality, and efficiency. Unlike the conventional C-Max Hybrid, the Energi features plug-in charging capability, allowing you to use electric power for shorter trips while retaining a gasoline engine for longer journeys. Its 2.0-liter four-cylinder engine and electric drive system deliver a smooth driving experience without requiring every trip to revolve around a charging stop. Inside, the C-Max's upright design provides a comfortable seating position, generous headroom, and easy access. The SEL trim adds an upscale character, while the flexible rear seating and hatchback layout make it equally useful for commuting, shopping, or weekend travel. The accompanying CARFAX identifies this example as a one-owner personal vehicle, with approximately 11 years of ownership and an estimated average of just 4,572 miles driven annually. CARFAX reports no accidents or damage, no structural damage or airbag deployments, and no reported salvage, rebuilt, flood, or other listed title brands. Seven service history records are documented, including maintenance inspections, oil and filter changes, and battery/charging-system checks. Its most recent reported event is a passed California emissions inspection on October 30, 2026, at 50,251 miles. For transparency, the CARFAX also lists open safety recalls concerning the door latches and transmission shifter cable bushing, with remedies available through Ford, along with a transmission auxiliary-pump reimbursement customer satisfaction program. Current completion status and program applicability should be verified with an authorized Ford dealer. With its low reported mileage, single-owner history, and useful combination of plug-in capability and gasoline flexibility, this C-Max Energi SEL offers a compelling alternative to the ordinary compact commuter. Shipping, Financing & Protection Plans Supreme Motors offers financing assistance for most buyers and provides nationwide shipping on a regular basis. No matter where you're located, we can deliver this exceptional Ford C-Max Energi directly to your door. Comprehensive mechanical breakdown protection plans are also available at competitive rates—please contact us for details and a personalized quote.
