Dealer notes

2008 Ford F650 Superduty Pro Loader Crew Cab Custom Flatbed Hauler. This unit is running the Cat diesel engine, approximate 11 foot CM steel flatbed body with E track tiedowns, gooseneck ball that has never had anything put on it, rear tagalong hitch, LED lights all wheels, five passenger seating, No DEF, air ride driver seat, push button Allison transmission, rear airbag suspension and XLT package with power options. Due to our current construction we have not even had time to wash this vehicle but it is processing for detail as we speak. Fresh service and inspection will be done also. This is one MacDaddy work option truck, horse trailer hauler, race car toter, off-road Mud Bog truck rig. There's plenty of room to put a golf cart or scooters on the bed and still tow a trailer comfortably and excessive amount of storage in the side boxes other than the wear and tear from the weather it appears this bed has actually never been used. A truck like this from this price point does not come along very often ever. Oil change performed proper state inspection for safety Performed all filters and fluids checked, changed, or serviced and fresh batteries. We have made sure of this truck is 100% ready for the road travel ready across the country.
